Minutes

On 2nd May, 2023, an invitation was emailed to the membership to attend an informal meeting to review the draft Neighbourhood Plan, which had been revised after extensive consultation with Greater Cambridge Shared Planning Services. A copy of the draft Neighbourhood Plan was attached to the email, together with a link to the Forum website for access to the full Plan and its supporting documents.

Printed copies of the draft Neighbourhood Plan were displayed, together with the supporting documents including maps, Evidence Base, Consultation Statement, Basic Conditions Statement and Street Appraisals. The full Plan and documents were also posted on the website www.southnewnhamforum.co.uk

Andrew Whitaker gave an outline of the progress made on the Neighbourhood Plan and the intention to progress to Regulation 14 Consultation and invited questions from members present.

The members were asked to confirm their support for the draft Neighbourhood Plan to go forward to the next stage to carry out a resident and stakeholder consultation as required under Regulation 14 of the Neighbourhood Planning General Regulations 2012 Act. The Forum is planning to do this between 12th June and 31st July, 2023.

All those present supported the motion and signed their agreement to continue to the next stage.
